

## Eastmoreland 9-Holers

Do you enjoy playing golf but you don't have the time to play 18 holes?  
Do you want to play with a great group of women who enjoy playing by the rules  
yet can still enjoy the game and not be intimidating?  
If so, then, join the Eastmoreland 9-Holers!

We play every Tuesday morning from March through October. We meet at 8:30 a.m. for announcements and to draw names for tee times. The first three-some drawn will tee off at 9:00 a.m. We have tournaments, fun special days of play and great luncheons.

Our club dues are \$35/year.

All play is governed by the US Golf Association Rules of Golf and by local club rules. A handicap for the Eastmoreland 9-Holers will be established for you after you turn in 5 signed golf scores from Eastmoreland's front nine, of which 2 scores may be no more than 69.

For more information, go to the Eastmoreland Golf Course website:
